Math Journal

Chapter 8: Functions and Inequalities

- 1.) What was the <u>easiest</u> lesson in the chapter. <u>Why?</u>
- 2.) What was the <u>hardest</u> lesson in the chapter. <u>Why?</u>

3.) Write a script for a TV meteorologist to use to give this week's weather forecast. You must use at least two inequalities.

4.) What should your grade be for the skills in this chapter? Why?
